PUBLIC SERVICE COMMISSION OF WISCONSIN

Proposed Rescission of Multiple Alternative Telecommunications
Utility Certifications for Failure to File a 2000 Annual Report as
Required by Individual Utility Certifications

05-TI-476

**NOTICE OF PROCEEDING AND ORDER
TO RESCIND THE CERTIFICATIONS OF MULTIPLE
ALTERNATIVE TELECOMMUNICATIONS UTILITIES**

THIS IS A PROCEEDING to rescind the certifications of multiple Alternative Telecommunications Utilities listed in Appendix A for failure to comply with conditions set forth in the certifications granted to each utility.

The certification orders granted to each utility by the Commission subjected the companies to Wis. Stat. § 196.07, titled "Balance sheet filed annually." This statutory section requires the filing of an annual report with the Commission by April 1 of the following year. In the case of the utilities listed in Appendix A, the applicable report is the Alternative Telecommunications Utility-Other Telecommunications Provider (ATU-Other) annual report. A reminder to file the ATU-Other annual report was sent to the utilities listed in Appendix A on January 26, 2001. As noted above, these utilities have not filed the 2000 annual report with the Commission and, therefore, have failed to comply with the Wis. Stat. § 196.07 provision of their certification orders.

Based on the above certification order violations and other cited facts, the Commission, pursuant to Wis. Stat. § 196.39, hereby rescinds the Alternative Telecommunications Utility (ATU) certifications of the listed utilities effective on the tenth day after the date of mailing of this order, unless within that 10-day period a utility complies with the annual report requirement. If the tenth day falls on a Saturday, Sunday, or holiday, per Wis. Admin. Code § PSC 2.03, the last day for any remedial action under this notice will fall on the next business day.

After rescission, if a company decides to reapply with this Commission to be certified as an ATU, it must comply with any outstanding requirements for the 2000 and 2001 annual report and direct, remainder, telephone relay, and universal service fund assessments. This would permit a previously certified ATU to become certified again by complying with any outstanding requirements **and** filing a new petition for certification. The Commission's rescission action does not relieve a company of compliance with the 2000 and 2001 annual report requirements.

The Commission does not discriminate on the basis of disability in the provision of programs, services, or employment. Any person with a disability who needs accommodations to participate in this proceeding or who needs to obtain this document in a different format should contact Kevin Klingbeil of the Telecommunications Division, by telephone at (608) 267-9504, or by e-mail at *klengk@psc.state.wi.us*.

IT IS ORDERED that, absent compliance with the annual report requirement within the above-specified 10-day period, the ATU certifications of the utilities listed in Appendix A, are hereby rescinded.

Dated at Madison, Wisconsin, _____

Notice of Appeal Rights

Notice is hereby given that a person aggrieved by the foregoing decision has the right to file a petition for judicial review as provided in Wis. Stat. § 227.53. The petition must be filed within 30 days after the date of mailing of this decision. That date is shown on the first page. If there is no date on the first page, the date of mailing is shown immediately above the signature line. The Public Service Commission of Wisconsin must be named as respondent in the petition for judicial review.

Notice is further given that, if the foregoing decision is an order following a proceeding which is a contested case as defined in Wis. Stat. § 227.01(3), a person aggrieved by the order has the further right to file one petition for rehearing as provided in Wis. Stat. § 227.49. The petition must be filed within 20 days of the date of mailing of this decision.

If this decision is an order after rehearing, a person aggrieved who wishes to appeal must seek judicial review rather than rehearing. A second petition for rehearing is not an option.

This general notice is for the purpose of ensuring compliance with Wis. Stat. § 227.48(2), and does not constitute a conclusion or admission that any particular party or person is necessarily aggrieved or that any particular decision or order is final or judicially reviewable.
